TO SUBSCRIBERS AND CORRESPONDENTS.

To Correspondents and Contributors.—All manuscripts must have the name and address of the sender clearly written thereon, and in any accompanying letter the title of the MS. must be given. No notice can be taken of anonymous communications. Writers are recommended to keep copies of their MSS.; miscellaneous contributions being sent in too great numbers to be always acknowledged or returned.

Payment and Copyright.—Payment for accepted manuscripts is made on publication. The receipt conveys the copyright of manuscripts to the Trustees of the Tract Society, with liberty for them, at their discretion, to publish such works separately. Republication by authors on their own account must be the subject of special arrangement.

Advertisements.—Complaints having been made of the insertion of advertising bills in the "Leisure Hour," the public are informed that all such bills have been inserted without authority, no advertisements being received for the Society's periodicals.

Portfolios and Cases for Numbers and Volumes.—For the preservation of the weekly numbers, portfolios, provided with 52 cords, are supplied at 1s. 2d. each. Also patent boxes for holding a year's parts or numbers, at 3s. 6d. each. Cloth Cases for binding the Volume at the end of the year, price 1s. 2d. cloth boards, 1s. 6d. cloth extra.

Withdrawal of Early Numbers.—The "Leisure Hour" can be obtained in Volumes only from 1862 to 1865, but in any form after that date. The earlier Numbers are out of print.

Correspondents requiring Single Parts or Numbers are requested to order, whenever practicable, through the local booksellers or newsagents.

FOREIGN POSTAGE.

The Monthly Parts of the "Leisure Hour" can be forwarded abroad only by Book Post.

a signifies additional to pay on delivery.

The rates of postage to any part not mentioned in this list can be ascertained by application at a Post-office. Orders for the transmission abroad of the "Leisure Hour" direct from the Office, should be addressed to the Publisher, and accompanied by prepayment for both magazine and postage. The Home Postage of each Part is now THREE HALFPENCE.

* * * We would especially call the attention of Subscribers who have friends in the United States to the recent reduction of postage, by which they can send the successive Parts of the LEISURE HOUR, containing the CENTENNIAL AMERICAN STORY of Miss FRANCES BROWNE, across the Atlantic for the small postal charge of 3d. per month.

AT HOME AND ABROAD: A RECORD OF EVANGELICAL PROGRESS.

With the January magazines is published the first number of a New Illustrated Monthly Paper, under the above title.

It consists of eight pages large folio, and in it is merged both "THE RELIGIOUS TRACT SOCIETY'S REPORTER" and "THE TRUE CATHOLIC."

"AT HOME AND ABROAD" will, it is anticipated, be a popular medium for the wider spread of the principles of true Catholicism which have hitherto been advocated and enforced in the pages of "THE TRUE CATHOLIC." It will also give all the information hitherto presented to the subscribers and friends of the Society in "THE REPORTER" with regard to its Missionary work.

In addition to these features, it will contain articles of general interest in connection with the spread of Divine truth both at home and abroad, and include others of a practical character, both narrative and didactic, thus adapting it for distribution where an ordinary Tract would be unwelcome.
